Approval Date: 09/27/19

Work Plan No. A.07 - VTA's Phase II BART Extension to Silicon Valley

Scope:

This Work Plan is to facilitate IFG working closely with BART and VTA agency staff and their consultants collectively to work through solutions to complex engineering issues, eliminate any uncertainties regarding the design concepts and optimize scope and costs. Provide memoranda documenting the joint discussions, associated fact-findings and data gathering related to the outstanding technical issues. Participate in workshops, facilitate resolving technical impasses to close the remaining "gaps" between the two agencies.
