The Union recognizes the Dealers as its own bargaining agent and as the bargaining agent for any Employer authorizing the Dealers to bargain on its behalf. This Agreement is entered into to define the wages and conditions under which employees performing work covered by this Agreement shall be employed by the Employers.

Each Employer expressly acknowledges that following a demand by the Union for recognition as the Section 9 (a) majority collective bargaining representative, they, and each of them, have satisfied themselves that the Union now represents a majority of employees employed to perform bargaining unit work, based upon a showing by the union of, or an offer by the Union to show, evidence that a majority of the employees authorize the union to represent them in collective bargaining. The Employer shall make all legal payroll withholdings for income tax, social security, State disability insurance, etc., from the total taxable wages (ie. the basic wage rate, vacation allowance and union administration), and shall then withhold the full amount of the vacation contribution for transmittal to the administrator of all fringe benefits on a monthly basis. An employee may withdraw amounts held in his vacation account in accordance with the rules established by the Union.

**ARTICLE X
PROMOTION AND INTERNATIONAL MASONRY
INSTITUTE FUND**

Effective August 1, 2014, the Employer shall pay to the Promotion Fund and to the International Masonry Institute ("IMI") the amounts set forth in Appendix A for each hour worked by each and every employee covered hereby.

The total amount due for each calendar month shall be remitted in a lump sum not later than fifteen (15) days after the last business day of each month. Failure to make all payments herein provided for within the time specified shall be a breach of this Agreement. In the event that Federal law is enacted allowing Union members to participate in the Promotion Fund, the Dealers and the Union shall meet to discuss the matter. In the event the Union and the Dealers agree to terminate the contributions to the IMI the amount otherwise payable to the IMI shall be allocated to wages or any benefit set forth in Appendix A, which the Union may, in its sole election, choose.

**ARTICLE XI
TERMS COMMON TO ALL BRICKLAYERS TRUST
FUNDS**

Section 1. The Union and/or each Trust shall be entitled to and may file legal action to compel production of monthly reports, to compel production of payroll records for audit, and for the collection of any and all contributions, interest and liquidated damages due and owing by the Employer and thereafter may settle or compromise such legal action. In addition to payments due and owing, interest thereon the rate of 10%, and liquidated damages, the Employer agrees to pay all costs of such suit or suits, together with reasonable attorney's fees incurred by the Union or the Trusts whether or not any formal legal action is initiated by the Union or the Trusts. Each Trust and the Union may institute such legal proceedings without having the matter first heard and determined by the Joint Board, as provided in

Article XXI of this Agreement. All fringe benefit contributions shall be paid for each hour worked, including each hour of overtime worked.

Section 2. Each and every Employer may obtain a bond in the amount of Ten Thousand Dollars (\$10,000) to guarantee compliance with this Agreement and payment of wages and fringe benefits. This bond shall be evidenced by completion by the Employer and its surety of the bond instrument as set forth in Appendix B to this Agreement. A bond containing terms different in any manner from that set forth in Appendix B to this Agreement is not acceptable. This bond shall be presented to the Union within ten (10) days of the date of this Agreement.

Section 3. Each monthly contribution to the Trusts shall be made promptly and is due on or before the fifteenth (15th) day of the calendar month following the month such hours are worked and if not paid in full by the fifteenth (15th) day of the month shall be delinquent and subject to liquidated damages. It shall be the responsibility of the Employer to make sure the monthly contribution and report form is postmarked by the Post Office on or before the fifteenth (15th) day of the month. If such envelope containing the contribution and report form is postmarked after the fifteenth (15th) day of the month, such report form and contribution shall be considered delinquent and liquidated damages may be assessed. The Employers and the Union recognize and acknowledge that the regular and prompt payment of employer contributions and the furnishing of report forms is essential to the maintenance of the Trusts, and it would be extremely difficult, if not impractical, to fix the actual expense and damage to the Trusts which would result from failure of any Employer to pay such monthly contributions and furnish contribution forms within the time provided. Therefore, the amount of damages to the Trusts resulting from any such failure shall be presumed to be ten percent (10%) of all contributions due for the first thirty (30) days of delinquency, and thereafter, the charge will be twenty percent (20%) of the amount due. Such amount shall become due and payable to the Trusts by the delinquent Employer as liquidated damages and not as a penalty and payable at the place where the contribution is payable upon the day immediately following the date on which the contribution became delinquent.

Section 4. The trustees of each Trust shall have the authority to require any Employer, employee, Union or Dealers signatory to or covered by this Agreement to submit to it any information, data, reports or documents reasonably relevant to and suitable for the purpose of administration of the Trust. The Dealers, Union, Employers and employees agree that they will use their best efforts to secure compliance with any reasonable request of each Trust for any such information, data, reports or documents. Upon request by the Union or a Trust, each Employer shall permit an auditor, selected by the Trusts to enter upon the premises of such Employer at a reasonable time or times, and to examine the payroll records, the Federal and State Quarterly Contribution Reports, W-2's and other relevant records to determine whether

the Employer has made full and complete payment of all wages and contributions required by this Agreement. In the event it is determined as a result of such examinations that an Employer has defaulted in making full and complete payment of contributions required by this Agreement, then said Employer, in addition to immediately paying all amounts found due and owing, shall forthwith pay all costs incurred for said examination, in addition to any other payments required by this Agreement.

Section 5. In the event the Trustees of a Trust enter into a Reciprocity Agreement permitting the payment of certain fringe benefit contributions to the home area of any employee temporarily working in the jurisdiction, payments shall be made in accordance with such Reciprocity Agreements that are agreed to by the Trustees of each Trust and, provided further, such Trusts are qualified under the provisions of the applicable Internal Revenue regulations permitting the payments to be tax deductible by the Employer.

Section 6. Failure to make all contributions herein provided for within the time specified, shall be a breach of this Agreement; but no strike action shall be taken before the expiration of forty-eight (48) hours after the giving of written notice to the defaulting Employer of said default. Written notice shall be deemed to have been given by sending said notice by registered or certified mail to the last known address of said defaulting Employer.

This Agreement shall be binding on the heirs, successors, joint venturers purchasers and assigns of each party. This Agreement is also binding upon each Employer, and its purchasers, assigns and successors, regardless of whether or he/she/it changed the name of the entity of his/hers/its business. Each Employer bound by the terms of this Agreement agrees to promptly notify the union in writing by registered or certified mail of any change of ownership, change in type of business entity (eg. transition from

sole proprietorship to corporation) additional members of the partnership, the creation of a subsidiary, or any other fact which the Employer thinks or believes may require the execution of a new Collective Bargaining Agreement to cover the employees in such operations. In the event of failure to notify the Union, the individual or company executing this Agreement shall continue to be individually responsible and liable for the observance of the terms and conditions of this Agreement, to the full extent permitted by law, of such subsequent firm, successor, joint venture, corporation, subsidiary, individual or affiliate, until the required notices are given to the Union. Such notices may not be retroactive in effect. In interpreting the above clause, the purpose and spirit is to preclude the Employer from circumventing the Agreement by the formation of joint ventures, new corporations, subsidiaries, firms, partnerships or any other alternative or successor entities.

**ARTICLE XXV

The term of this Agreement shall be from August 1, 2014, to July 31, 2019, inclusive, and shall continue in full force and effect from month to month thereafter unless either party serves notice in writing by certified mail to the other not less than sixty (60) days nor more than ninety (90) days prior to July 31, 2019, or sixty (60) days prior to the end of any succeeding month, of a desire to terminate, alter, modify and/or amend this Agreement.

During all the time of negotiation for changes desired and until the completion and signing of a new Agreement, this Agreement shall remain in full force and effect; provided, however, that if and when negotiations become stalemated, then and in that event, either party to this Agreement shall be empowered to take such action as it desires, in the circumstances, but in any event no termination of this Agreement shall occur without the giving of sixty (60) days written notice by certified mail as required by the preceding paragraph. All Employers, employees, the Union and the Dealers shall abide by all the terms and provisions of this Agreement until such time as this Agreement is terminated as hereinabove provided.

**ARTICLE XXVI
AMENDMENT TO AGREEMENT**

If, in any suit to which any party to this Agreement is a party, it is held by a final judgment of any Federal or State Court that any provision of this Agreement is void or unenforceable, such judgment shall not in any way invalidate or effect any other portion of this Agreement not thus held void, but such remaining portions shall be deemed separate from void portions and shall be in all respects binding on the parties hereto.
