

BART

Warm Springs Extension

Construction Notification # 28

Temporary Reconfiguration of Pedestrian Pathway

Construction Details

Summary of Activity

Estimated Start Date

April 14, 2011

Estimated Duration

Several months.

Impacts

Diversion of existing pedestrian path is expected to cause minimal disruption.

General Work Hours

7 am to 7 pm
Monday through Friday,
Saturday work as necessary

Lake Elizabeth Work Hours

7 am to 10 pm
Monday through Friday
8 am to 6 pm – Saturday

April 12, 2011

Crews building the Warm Springs Extension will begin work in Lake Elizabeth this month. For the safety of park users, the pedestrian pathway at the eastern lobe of the lake will be reconfigured. The reconfiguration is expected to remain in place for several months. Pedestrians will continue to be able to walk around the lake using the revised route. Park users should look for signs directing them to the alternate route around the lake.

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our project information line at (510) 476-3900 or e-mail bartwarmsspringsextension@bart.gov. You can also visit our Community Relations Field Office located in Fremont Central Park off of Stevenson Boulevard Monday through Friday, 8 am to 5 pm.

Temporary reconfiguration of lake walk pathway

The yellow line represents general configuration of the new detour. The red line represents the closed area.
