July 13, 2011

Eastbound Stevenson Blvd. will be temporarily closed between Guardino Dr. and immediately east of Civic Center Dr. on Tuesday, July 19 at 9 am for up to six hours. The closure is needed to restore Stevenson Blvd., which has been impacted by construction for more than a year. During the closure, the second in a series of three pedestrian, bicycle and vehicular detours will be in place. The detour established for the closure is Civic Center Dr., to Walnut Ave., to Guardino Dr. to Stevenson Blvd. The Police Department, Dog Park/Basketball Complex and Animal Shelter will remain accessible.

In preparation for the closure, starting on July 15 pedestrians, motorists and cyclists will encounter flaggers controlling traffic and should anticipate intermittent delays.

The remaining detour for removal of the westbound temporary bridge will take place in early August of 2011. Look for future notices about this detour.

The work will include, but is not limited to:

- Removal of a temporary bridge and related work
- Use of a crane to lift material overhead
- Truck traffic entering and exiting the construction area
- Paving and grading of Stevenson Blvd. and related work
- Clean up of work activities

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our project information line at (510) 476-3900 or e-mail bartwarmsspringsextension@bart.gov. You can also visit our Community Relations Field Office located in Fremont Central Park off of Stevenson Blvd. Monday – Friday 8 am to 5 pm.
