

Your Rights under Title VI of the Civil Rights Act of 1964

The San Francisco Bay Area Rapid Transit District (BART), in compliance with Title VI of the Civil Rights Act of 1964, the Federal Highway Administration (FHWA), and applicable federal and state laws and regulations, is committed to ensuring that no person is excluded from participation in or denied the benefits of its services or programs on the basis of race, color, national origin, sex, age, or disability. Presidential Executive Order 12898 addresses environmental justice in minority and low-income populations. Presidential Executive Order 13166 addresses services to those individuals with limited English proficiency.

Any person who believes that they have been excluded from or denied the benefits of BART's service or programs, or been subjected to discrimination on the basis of race, color, national origin, sex, age, or disability may file a written complaint with the Office of Civil Rights. Federal and State law requires complaints be filed within one-hundred eighty (180) calendar days of the last alleged incident.
