TEMPORARY BUS AND SHUTTLE STOP RELOCATION AT MILLBRAE STATION

Dear Customers:

Due to repairs to a sewer line during the week of Monday, December 2 through Sunday December 8, there will be temporary relocations of bus and shuttle stops at Millbrae Station. The work will take place within the intermodal area of the station. The ADA, passenger, and paratransit drop off areas will not be affected by the work.

Work crews will dig up the asphalt and remove and replace a broken sewer pipe.

During the week, the relocations will be minor and will be accessible from the usual intermodal area. **On the weekend, the whole intermodal area will need to be closed and all buses and shuttles will be relocated to the west side (Caltrain side) of the station.**

Please see the map on the reverse of this bulletin for the temporary bus stop location and the suggested path through the station.
