

BART Oakland Airport Connector

Construction Details

Summary of Activities

Nighttime road closures to install the OAC steel guideway along Interstate 880 at Hegenberger Road.

Start Date

April 21, 2013

Estimated Duration

- Nighttime road closures throughout spring 2013
- General construction through winter 2013
- Start of service in fall 2014

Impacts

- Nighttime closures of southbound Interstate 880 at Hegenberger Road and nearby on-ramps
- Temporary lane reconfigurations, lane closures and shifting of traffic

General Work Hours

Road Closure

1:30 am to 5:30 am

Sunday, April 21

Ramp and Lane Closures

11 pm to 6 am

Monday through Saturday

Construction Notification #37 *Guideway Installation and Southbound Interstate 880 Highway Closures at Hegenberger Road*

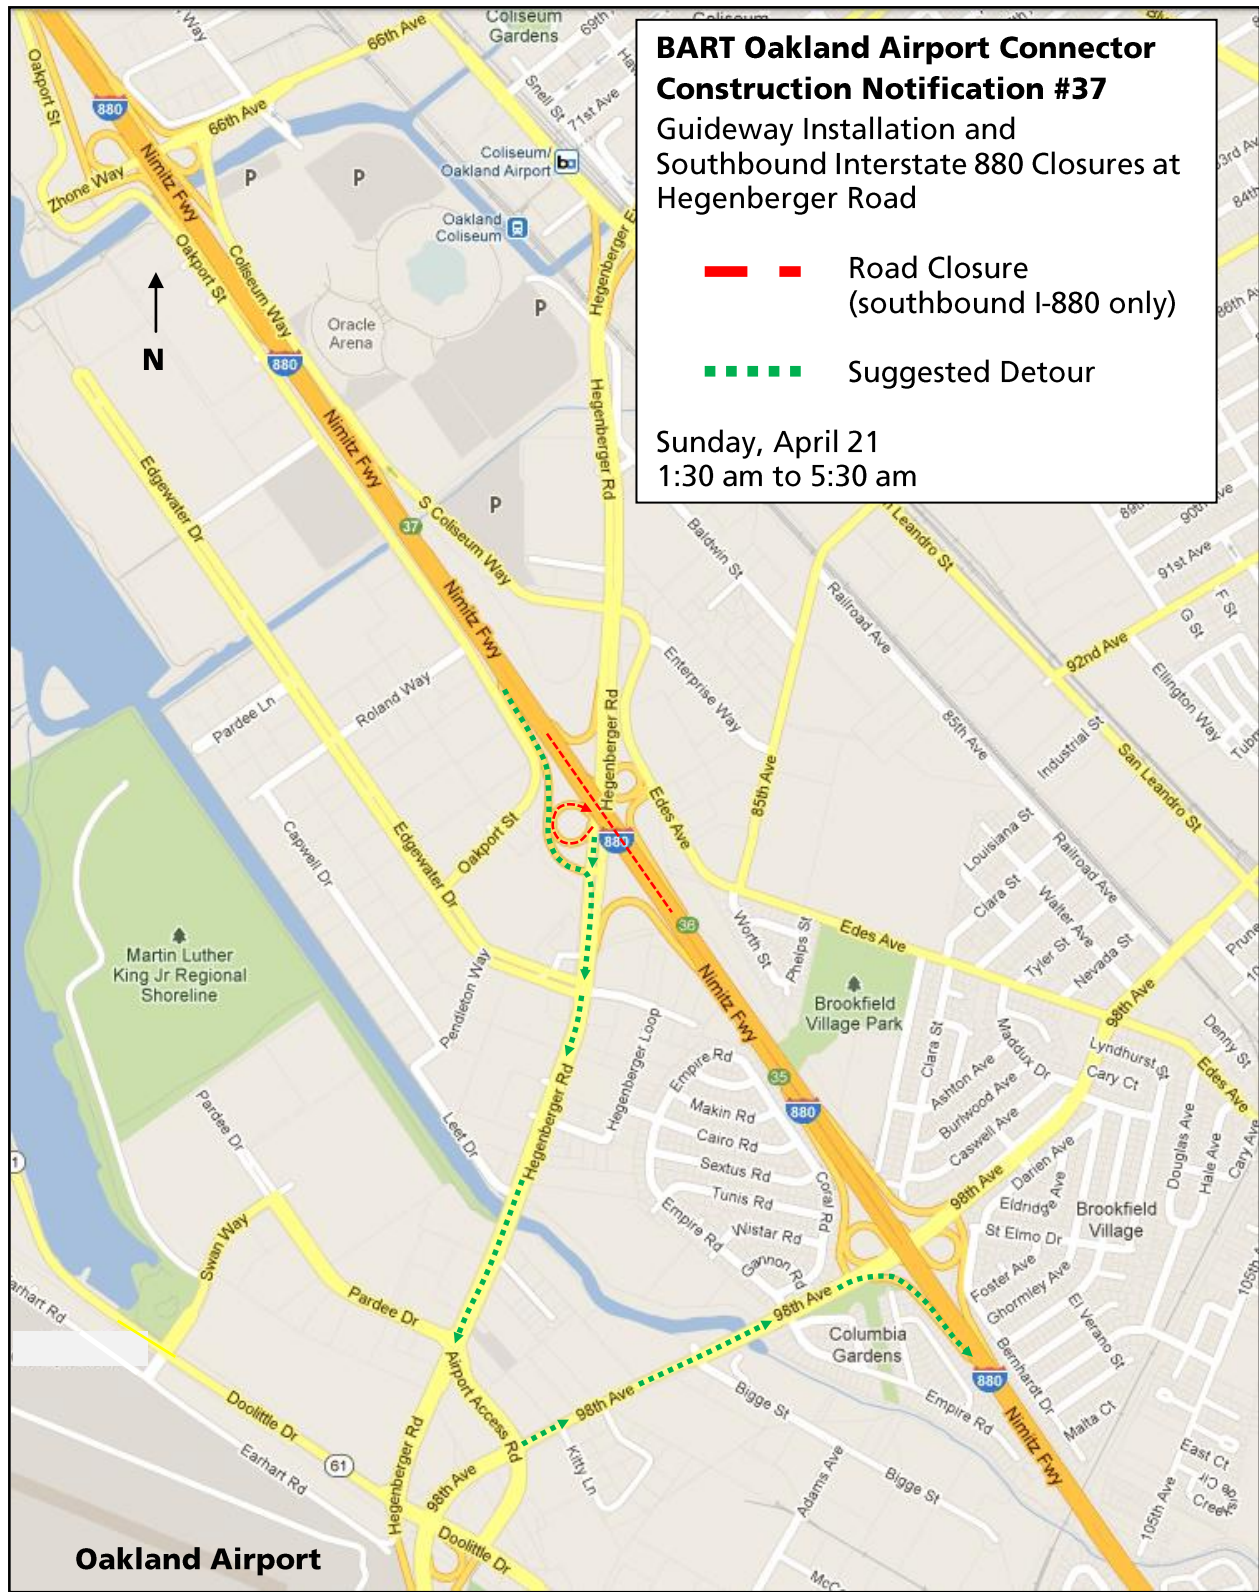

April 2013

The Oakland Airport Connector (OAC) project is under construction along Interstate 880 at Hegenberger Road. In March 2013 the project constructed the system's steel guideway above traffic on northbound Interstate 880. The construction process now requires nighttime closures of southbound Interstate 880 at Hegenberger Road and nearby on-ramps to install the system's steel guideway above the south bound traffic lanes.

Please note the following impacts during construction:

- **Sunday, April 21, from 1:30 am to 5:30 am: Southbound Interstate 880 at Hegenberger Road and the southbound Hegenberger Road on-ramp will be closed.**
- **Interstate 880 on- and off-ramps at Hegenberger Road will be closed, on separate occasions, intermittently throughout April 2013, Monday through Saturday from 11 pm to 6 am.**

See the exhibit on the back of this page for a map of the impacted areas. Please follow all posted detour signs and other notices regarding construction activities and safety information. We appreciate your patience and cooperation.
