

CONSTRUCTION OF A NEW PASSENGER DROP OFF AT THE WALNUT CREEK STATION

Garage Construction Access Updates

During construction of the new garage, the South parking lot will close and permit parking will move to the lower deck of the existing garage. Attendant assisted parking will be available for fee parkers in the existing garage at no extra cost (M-F 7am to 10pm). Please visit www.WCBARTparking.com for more information about attendant assisted parking. One entrance to the BART station from Ygnacio Valley Road will also close and passenger drop off will be moved to the North side of the existing garage. Please see the map below for additional detail.
