

## CHIEF INFRASTRUCTURE DELIVERY OFFICER

JC: 000050

PG: 13

BU: 95(NR)

FLSA: Exempt

*Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are **not** intended to reflect all duties performed within the job.*

### **DEFINITION**

Assists in the direction and management of the activities and operations of the Office of Infrastructure Delivery including extension construction projects, contract administration, project finance and administration, new vehicles, systems integration, all other capital program areas, and any other work of the Office; serves in a leadership capacity to coordinate and manage assigned activities within the Office, as well as with other executive staff, departments and outside agencies; provides highly responsible management support to the Assistant General Manager, Infrastructure Delivery, including participation in strategic and policy analysis; and performs related duties as assigned.

### **CLASS CHARACTERISTICS**

This chief level classification manages, through subordinate managers and supervisors, all operations and activities of the Office of Infrastructure Delivery. In general, each Chief will have lead responsibility for a portfolio of programs on behalf of the Office and will provide direct supervision for several Assistant Chief, Group Manager, or similar positions. In addition to exercising leadership in managing the accomplishment of assigned work, incumbents participate in the development and implementation of departmental goals, objectives, policies, and priorities for assigned service areas, and may serve as the Assistant General Manager, Infrastructure Delivery in his/her/their absence.

### **REPORTS TO**

Assistant General Manager, Infrastructure Delivery

**EXAMPLES OF DUTIES** – *Duties may include, but are not limited to, the following:*

1. Assumes full management responsibility for all departmental services and activities of the Office of Infrastructure Delivery; participates in the development of policies and procedures.
2. Participate in the development and implementation of executive office and assigned service area goals, objectives, policies, and priorities.
3. Establish, within District policy, appropriate service, and staffing levels; monitor and evaluate the efficiency and effectiveness of service delivery methods and procedures; allocate resources accordingly.

3. Oversee, through senior management staff, the delivery of services for the Office of Infrastructure Delivery; work with key staff to identify and resolve problems.
4. Assess and monitor workload, administrative and support systems, and internal reporting relationships; identify opportunities for improvement; direct and implement changes.
5. Oversee and manage assigned projects including setting policies, goals and objectives and determining priorities to meet those objectives.
6. Oversee the work of consultants on extension projects; determine scope of project; evaluate project changes and estimated costs; authorize expenditures and payments to consultants.
7. Oversee and coordinate consultant contract administration; resolve disputes with construction contractors and negotiate major change orders.
8. Participate in the selection and evaluation of assigned personnel; provide or coordinate management staff training; work with employees to correct deficiencies; implement discipline and termination procedures.
9. Participate in the development and administration of the budget for assigned programs; approve the forecast of funds needed for staffing, equipment, materials, and supplies; approve expenditures and implement budgetary adjustments as appropriate and necessary.
10. Explain, justify, and defend assigned programs, policies, and activities; negotiate and resolve sensitive and controversial issues.
11. Represent the Office of Infrastructure Delivery to other executive staff, departments, elected officials, and outside agencies; coordinate assigned activities with those of other departments and outside agencies and organizations.
12. Provide staff assistance to the Assistant General Manager, Infrastructure Delivery; participate on a variety of boards, commissions, and committees; prepare and present staff reports and other necessary correspondence.
13. Attend and participate in professional group meetings; stay abreast of new trends and innovations in the field of public transportation development services.
14. Respond to and resolve difficult and sensitive citizen inquiries and complaints.
